## Northeastern Ohio Universities College of Medicine Bookstore

Betty W. Gowan, Supervisor

Northeastern Ohio Universities College of Medicine Bookstore

I have worked with Gregory Hullinger over the last 8 years.

Recently I found myself in need of stock for the holidays. I called Gregory at Lighthouse Promotions. He was able to recommend a product and have it delivered in a matter of days. I found the quality of the product and the professional screenprinting to be very superior. What was a quick order to fill stock will probably become a permanent addition to our store.
