Dear Greg,

I want to take this opportunity to thank you and everyone at Lighthouse promotions for all your hard work on behalf of the Red Cross and the Wayne Homes Chili Open.

I certainly appreciated the quality of your products as did the customers who purchased the shirts you provided. However, it is your commitment to customer service, timeliness, and follow-through remain in my mind the qualities that set you and Lighthouse apart from the many other custom printing companies I have worked with in the past.

Your name and the name Lighthouse Promotions will be passed on to my successor and I am sure that he or she will also be pleased with your products and proud to retail items purchase through your company.

Best wishes for continued success.

Sincerely,

Wayne Brennessel
Chief executive Officer
