Dear Sir or Madam:

Gregory Hullinger of Lighthouse Promotions and I have been associated directly and indirectly for many years. He has broad knowledge of the promotional goods industry and a record of achievement in all basic areas. Whatever type of projects you plan to give Gregory, I can assure you that if he is willing to take them on, he can handle them. In addition, I believe you will find him fair, capable, energetic and loyal.

If I can give you any further information, please let me hear from you.

Sincerely,

Mitch Scott
