Cuyahoga Falls Chamber of Commerce

Dear Greg,

I wanted to say thank you for our recent order we placed with Lighthouse Promotions. Your company was so easy to work with when we ordered our "business card" holders with the Chamber of Commerce logo on them. The finished product came out great. We use these for our "leads generation" networking groups. Everyone loves them.

You gave us great service and a great product! I was also so happy that it was delivered when promised.

We will do business with Lighthouse Promotions again in the future! Thank You!

Sincerely,

Laura Petrella
